

Ghost Writing Samples

Since we sign confidentiality and non-disclosure agreements with our clients, we are only able to make the following samples available to the public.Â

Samples of Brad's ghostwriting are available, however, if you are willing to sign a confidentiality and non-disclosure agreement, protecting our former client's work and identities.Â

The samples below are a reflection of Brad's personal writing for various ministries. Although some of these are fairly dated, and do not exhibit Brad's ability to emulate a client's "written voice," the samples show a little of Brad's Biblical knowledge and writing ability.Â Â

- The Secret of God's Power
- Born into WarÂ Â
- Newness in GodÂ
- Battle Cry Part 1Â Â
- Battle Cry Part 2
