

## Social Media and Viral Marketing

Be Wise! Every ministry should be wise in their approach to communicating. If your message can impact more people using a modern, efficient method of delivery, you should take advantage of it. (I once heard a preacher call that “anointed common sense”)What’s the best way to consistently stay in front of people?

Email Campaigns are the best thing since high-speed surfing! We will create an effective email campaign that will reach the heart of your audience. Whether it is a call to the lost, a weekly teaching your subscribers need, or a donation request - Uberwriters will hit the bull’s eye! I can’t stress how powerful this is to dramatically increase your ministry's response!

Don’t think SPAM – an Email Campaign is an amazing way to:

Greatly increase response to your ministry’s events

Recruit a much higher number of volunteers

Reach existing members

Win new members

Dramatically increase financial support
